

ARGOS *Drivethru* X

HI-TECH
RECEPTION
LANE

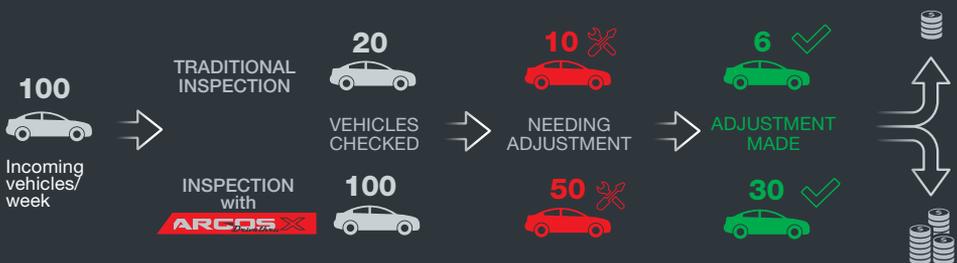

CEMB [®] **USA**
GARAGE EQUIPMENT

FULL ALIGNMENT CHECK

- Place **ARGOSX Drivethru** in the reception lane of your shop; it fits into any working environment
- **Check all incoming vehicles in seconds** and identify those that show anomalies and need adjustments
- **Offer a free, fast and professional service:** your customers' satisfaction will be guaranteed
- **Win the trust of your customers with clear** and immediately understandable diagnostic reports
- **Save time** thanks to fully automated procedures

ARGOSX Drivethru: TURN EVERY INCOMING VEHICLE INTO A PROFIT OPPORTUNITY!

IN SECONDS

- **Autonomous control** of the alignment, **WITHOUT OPERATOR**, by following simple steps shown on the screen
- **Non-contact measurement:** no more clamps, targets or sensors for effective time savings and no risk of damaging the rims
- **Diagnosis of vehicle anomalies** and indication of possible related symptoms (fuel consumption, tyre wear, driving and steering anomalies)
- **Automatic selection of vehicle specifications** via license plate recognition
- **Database updates** to always have newest vehicles specs
- **Remote control app** for tablets and smartphones

Send real time results via smartphone and tablets, for a clear and transparent experience.

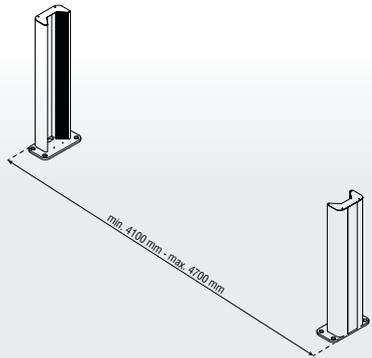

- ✓ Engage customers with effective communication
- ✓ Get quick approvals
- ✓ Retain more customers with strategic follow-ups

MAXIMUM ADAPTABILITY

ARGOS X
